

# IFOA NEW MEMBERS ONLY 2023 Membership Application Form

Note: Membership capacity is limited so please sign up promptly. First come, first considered

Welcome! If you have never joined the IFOA previously, we welcome you on your first step as you begin to become a high school football official! If you are a current or previous member, please use the standard Membership Application Form. **MEMBERSHIP FEE AND ASSIGNER FEES ARE NON-REFUNDABLE!**

Officiating football is fun and challenging. One should be able to move rapidly otherwise known as "hustle" while at the same time, not hurrying! There is also a risk of injury not only to players but to officials as well. As such, an official may be accused of negligence and is subject to litigation. Due to this risk Sports Officiating Liability insurance is a requirement of membership. IFOA has negotiated a deal with National Association of Sports Officials (NASO) to provide up to two million dollars for Sports Officiating Liability insurance and that premium includes other benefits such as a one-year subscription to Referee Magazine. NASO Sports Officiating Liability Insurance covers all sports and if purchased through IFOA the period of coverage is August 1, through July 31 of the calendar year.\*

Each member of IFOA is an Independent Contractor. Any member may accept/decline game assignments. IFOA Membership includes: Training, training materials and meeting location and facilities. Game assignments are handled by the Contracted Assignor of IFOA and a separate fee is made payable to this person as noted below. Include both payments and both forms with IFOA membership submittal.

**Note: if you are a current member of Inland Basketball or Inland Baseball or and have Liability insurance provide the information below and deduct \$82 from the membership dues below.**
